No one can afford to stay at home during the warm weather when he can get to the coast and enjoy the cool ocean breeze with the Old Point Comfort excursion party for so small a cost.

"Be sure you get Ayer's" is an important caution to all in search of a thoroughly reliable blood purifier. Ayer's Sarsaparilla being the one on which there can be no manner of doubt. It has stood the test of nearly half a century, and has been considered the standard.

There are many who will take advantage of the exceedingly low rates offered to Old Point to visit their native state, Virginia, and look on the scenes of childhood, bringing back so many fond recollections and pleasant memories.

Mrs. T. S. Hawkins, Chattanooga, Tenn., says: "Shiloh's Vitalizer 'SAVED MY LIFE.' I consider it the best remedy for a debilitated system I ever used. For Dyspepsia, Liver or Kidney trouble it excels. Price 75 cts. For sale by St. Bernard Drug Store."

Lay aside your business cares, perplexed duties, and leave things that perplex behind, join the party to Old Point, which will afford you such diversion as will re-invigorate you and prepare you to enter anew upon your duties when you return.

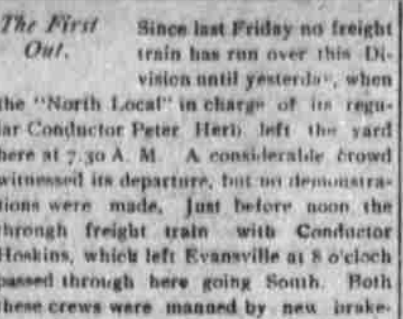

Thieves At Hanson. The dwelling house of Dr. J. S. Walker, of Hanson, was broken into last Tuesday night by thieves and was robbed. The amount of booty secured is at present unknown. Marshall Barnett, who was telegraphed to come down with his bloodhounds, left on the Providence train, and the chances are "mighty good" for some one in that section to become acquainted with grief.

Pile! Pile! Itching Pile! Symptoms-Molasses, intense itching and stinging; most at night; worse by scratching. If allowed to continue tumors form, which often bleed and ulcerate, becoming very sore. SWAYNE'S OINTMENT stops the itching and swelling, heals ulceration, and in most cases removes the tumors. At druggists, or by mail, for 50 cents. Dr. Swayne & Son, Philadelphia.

A Longfelt Want. At the last meeting of the council, a proposition to establish a rock pile was unanimously carried and a quantity of limestone now adorns our streets. A ball and chain and suitable hammers have been provided. Those parties, who feel inclined to infract the law had better ponder awhile on their certainty of fracturing limestone beneath the sun's rays at one dollar per diem.

"How to Cure All Skin Diseases." Simply apply "SWAYNE'S OINTMENT." No internal medicine required. Cures tetter, eczema, itch, all eruptions on the face, hands, nose, etc., leaving the skin clear, white and healthy. Its great healing and curative powers are possessed by no other remedy. Ask your druggist for SWAYNE'S OINTMENT.

Trot Out Your Kidney. David Barnett, the 11 year old son of Marshall Barnett, has gone up head as a youthful cyclist. Last week the family visited relatives at Manito, Dave mounted his wheel and invited the occupants of the family vehicle to follow him. He beat the buggy "to a comin' and a goin'." The distance covered by him in ten to twenty miles. If any boy under 12 years of age wants to see his name in the paper he has only to break David's record.
